

Literatuurlijst DANS Deel 2

1. Adamson, L. B., Bakeman, R., Deckner, D. F., & Ronski, M. (2009). Joint engagement and the emergence of language in children with autism and Down syndrome. *Journal of Autism and Developmental Disorders*, 39, 84–96.
2. Bruinsma, Y., Koegel, R. L., & Koegel, L. K. (2004). Joint attention and children with autism: A review of the literature. *Mental Retardation and Developmental Disabilities Research Reviews*, 10, 169–175.
3. Charman, T., Baron-Cohen, S., Swettenham, J., Baird, G., Cox, A., & Drew, A. (2000). Testing joint attention, imitation, and play as infancy precursors to language and theory of mind. *Cognitive Development*, 15, 481–498.
4. Charman, T., Baron-Cohen, S., Swettenham, J., Baird, G., Drew, A., & Cox, A. (2003). Predicting language outcomes in infants with autism and pervasive developmental disorder. *International Journal of Language and Communication Disorders*, 38, 265–285.
5. Charman, T. (2003). Why is joint attention a pivotal skill in autism? *Philosophical Transactions of the Royal Society of London B*, 358, 315–324.
6. Childress, D.C. (2011) Play behaviors of parents and their young children with disabilities. *Topics in Early Childhood Special Education*, 31, 112–120.
7. Dawson, G., & Galpert, L. (1990). Mothers' use of imitative play for facilitating social responsiveness and toy play in young autistic children. *Development and Psychopathology*, 2(15), 1–162.
8. Freeman, S. & Kasari, C. (2013). Parent-child interactions in autism: Characteristics of play. *Autism*, 17(2), 147–161.
9. Frey, J. R. & Kaiser, A. (2011). The Use of Play Expansions to Increase the Diversity and Complexity of Object Play in Young Children with Disabilities. *Topics in Early Childhood Special Education*, 31(2), 99–111.
10. Hampshire, P. K., & Hourcade, J. (2014). Teaching Play Skills to Children With Autism Using Visually Structured Tasks. *Teaching Exceptional Children*, 46(3), 26.
11. Ingersoll, I. (2012). Brief Report: Effect of a Focused Imitation Intervention on Social Functioning in Children with Autism. *Journal of Autism and Developmental Disorders*, 42, 1768–1773.
12. Ingersoll, B., & Meyer, K. (2011). Examination of correlates of different imitative functions in young children with autism spectrum disorders. *Research in Autism Spectrum Disorders*, 5, 1078–1085.
13. Ingersoll, B. (2010). Brief report: Pilot randomized controlled trial of reciprocal imitation training for teaching elicited and spontaneous imitation to children with autism. *Journal of Autism and Developmental Disorders*, 40, 1154–1160.
14. Ingersoll, B., & Lalonde, K. (2010). The impact of nonverbal imitation training on language use in children with autism: A comparison of object and gesture imitation training. *Journal of Speech, Language and Hearing Research*, 53, 1040–1051.
15. Ingersoll, B. (2008). The social role of imitation in autism: Implications for the treatment of imitation deficits. *Infants Young Children*, 21(2), 107–119.
16. Ingersoll, B., & Schreibman, L. (2006). Teaching reciprocal imitation skills to young children with autism using a naturalistic behavioral approach: Effects on language, pretend play, and joint attention. *Journal of Autism and Developmental Disorders*, 36(4), 487–505.
17. Jung, S., & Sainato, D.M. (2013). Teaching play skills to young children with autism. *Journal of Intellectual and Developmental Disability*, 38(1), 74–90.
18. Kasari, C., Gulsrud, A., Freeman, S., Paparella, T., & Helleman, G. (2012). Longitudinal follow-up of children with autism receiving targeted interventions on joint attention and play. *Journal of the American Academy of Child & Adolescent Psychiatry*, 51(5), 487–495.
19. Kasari, C., Paparella, T., Freeman, S., & Jahromi, L. B. (2008). Language outcome in autism: Randomized comparison of joint attention and play interventions. *Journal of Consulting and Clinical Psychology*, 76(1), 125–137.
20. Landa, R.J., Holman, K.C., & Garrett-Mayer, E. (2007). Social and communication development in toddlers with early and later diagnosis of autism spectrum disorders. *Archives of General Psychiatry*, 64(7), 853–864.
21. Lang, R., O'Reilly, M., Rispoli, M., Shogren, K., Machalicek, W., Sigafoos, J. & Regeher, A. (2009). Review of Interventions to Increase Functional and Symbolic Play in Children with Autism. *Education and Training in Developmental Disabilities*, 44(4), 481–492.
22. Ledford, J. R., & Wolery, M. (2011). Teaching Imitation to Young Children With Disabilities: A Review of the Literature. *Topics in Early Childhood Special Education*, 30(4) 245– 255.
23. Lewis, V., Boucher, J., Lupton, L., & Watson, S. (2000). Relationships between symbolic play, functional play, verbal and nonverbal ability in young children. *International Journal of Language and Communication Disorders*, 35, 117–127.
24. Lieberman, R. & Yoder, P. (2012). Play and Communication in Children With Autism Spectrum Disorder: A Framework for Early Intervention. *Journal of Early Intervention*, 34(2), 82–103.
25. Lifter, K., Mason, E.J., & Barton, E.E. (2011). Children's Play: Where We Have Been and Where We Could Go. *Journal of Early Intervention*, 33(4), 281–297.

26. Lifter, K., Ellis, J., Cannon, B. & Anderson, S. (2005). Developmental Specificity in Targeting and Teaching Play Activities to Children with Pervasive Developmental Disorders. *Journal of Early Intervention*, 27(4), 247–267.
27. Lifter, K. (2000). Linking assessment to intervention for children with developmental disabilities or at-risk for developmental delay: The Developmental Play Assessment (DPA) Instrument. In K. Gitlin-Weiner, A. Sandgrund, & C. E. Schaefer (Eds.), *Play diagnosis and assessment* (2nd ed., pp. 228–261). New York, NY: John Wiley.
28. Lifter, K., & Bloom, L. (1989). Object knowledge and the emergence of language. *Infant Behavior and Development*, 12, 395–423.
29. Mastrangelo, S. (2009). Play and the Child With Autism Spectrum Disorder: From Possibilities to Practice. *International Journal of Play Therapy*, 18(1), 13–30.
